Ropes (Different solutions according to application)

Ειδικές Πληροφορίες

- Τα φυσικά υλικά είναι επιλεκτικής καλλιέργειας, συγκεκριμένου χρόνου συγκομιδής, έχουν υποστεί φυσική ξήρανση, εν θερμώ επεξεργασία και απεντόμωση πριν και μετά την εισαγωγή τους, το δε χρώμα τους είναι απολύτως φυσικό, με αποτέλεσμα διακύμανση απόχρωσης.
- Η σύνδεση-πλέξη, είναι εξωτερική ή εσωτερική. Χρησιμοποιούμε σύρμα γαλβανιζέ - ανοξείδωτο - πλαστικοποιημένο γαλβανιζέ-μαύρο, ανάλογα με το είδος.
- Οι ταπετσαρίες έχουν κατασκευαστεί από φυσικά υλικά όπως ίνες και μίσχους φυτών, καλάμι, μπαμπού, καλαμπόκι, ριζοκάλυμο, υδρούακινθο, μπανάνα και είναι σχεδόν χειροποίητες. Εμποτίζονται με επιβραδυντικό καύσης.
- Συνιστούμε συντηρητικό (μυκητοκτόνο) ξύλου και υδροδιαλυτό (κατά προτίμηση) βερνίκι ξύλου, άχρωμο ή σε παραπλήσια απόχρωση, αρχικά και σε τακτά διαστήματα 2-3 χρόνων. Έτσι το υλικό προστατεύεται από μύκητες, δεν ξεθωριάζει το χρώμα άμεσα, εμποτίζεται, διατηρείται πέραν του προβλεπόμενου χρόνου.
- Σημαντικός παράγοντας στην διατήρησή τους, στον χρόνο, είναι και ο σωστός τρόπος στήριξης-τοποθέτησης.
- Η εταιρία είναι πιστοποιημένη κατά ISO 9001:2015, BQC.

Special Information

- Our natural materials are a product of selective cultivation, have been physically dried, heat treated and disinfected before and after insertion, and their colour is completely natural, resulting in hue variation.
- The connection-weaving, is external or internal. We use galvanised wire - stainless steel - laminated galvanised-black, depending on the kind.
- Wallpapers are made of natural materials such as fibre and plant stems, cane, bamboo, corn, ricecane, water hyacinth, banana, and are almost handmade. They are infused with flame retardants
- We recommend a wood preservative (fungicide) and water-soluble (preferably) wood varnish, colourless or in close tint, initially and at regular intervals of 2-3 years. That way the material is protected from fungus, the colour does not fade straightaway, it is infused and preserved beyond the anticipated time.
- An important factor in maintaining them over time, is the right placement and support.
- Certified by ISO 9001: 2015 by BQC.
